

What is our future in TCHC?

The City of Toronto is looking at the future of TCHC & our homes through the Mayor's Task Force on TCHC and asking questions like:

- ◆ How should the City be involved?
- ◆ Should TCHC still be a landlord?
- ◆ How do we deal with ongoing repairs?
- ◆ Should we sell any homes?
- ◆ How should tenants be represented in decision making?
- ◆ How are tenants supported?

Join Tenants for Social Housing
for a tenant-only meeting to:

- Talk through these questions & more
- Find out about the City's consultation process so far
- Talk through how tenants can get involved in making sure decisions put tenants first
